If elected, will your candidate support policies that address the maternal mortality rates in their state? *

- Yes
- No
- No Position/Unsure

Is there anything else you would like to add about your candidate's support of policies aimed at addressing maternal mortality rates?

Is there a lack of funding, lack of education by doctors & patients, lack of Louisiana state policies, lack of qualified hospitals, lack of medical training, lack of insurance, lack of knowledge about problems, so that I know how to address these problems in Louisiana. Info about how to reduce maternal mortality rates in Louisiana is not clearly stated or available.
